**DECLARATION OF BRIAN WHITTMAN  
IN SUPPORT OF APPLICATION OF THE DEBTORS TO  
RETAIN ALVAREZ & MARSAL NORTH AMERICA, LLC AS  
FINANCIAL ADVISORS TO DEBTORS AND DEBTORS IN POSSESSION  
PURSUANT TO SECTIONS 327(A) AND 328 OF THE BANKRUPTCY CODE**

Brian Whittman, hereby make this Declaration pursuant to 28 U.S.C. § 1746, and state:

1. I am a Managing Director with Alvarez & Marsal North America, LLC, together with employees of its affiliates (all of which are wholly-owned by its parent company and employees), its wholly owned subsidiaries, and independent contractors, collectively, “A&M”), a restructuring advisory services firm with numerous offices throughout the country. I submit this declaration on behalf of A&M (this “Declaration”) in support of the *Application of the Debtors to Retain Alvarez & Marsal North America, LLC as Financial Advisors to Debtors and Debtors in Possession Pursuant to Sections 327(a) and 328 of the Bankruptcy Code* (the “Application”) on the terms and conditions set forth in the Application and the engagement letter between Debtors

1 A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://dm.epiq11.com/YellowCorporation>. The location of the Debtors' principal place of business and the Debtors' service address in these chapter 11 cases is: 11500 Outlook Street, Suite 400, Overland Park, Kansas 66211.

and A&M attached to the Application as Exhibit A (the “Engagement Letter”). Except as otherwise noted,<sup>2</sup> I have personal knowledge of the matters set forth herein.

**Disinterestedness and Eligibility**

2. A&M together with its professional service provider affiliates (the “Firm”) utilize certain procedures (“Firm Procedures”) to determine the Firm’s relationships, if any, to parties that may have a connection to a client debtor. In implementing the Firm Procedures, the following actions were taken to identify parties that may have connections to the Debtors, and the Firm’s relationship with such parties:

- i. A&M requested and obtained from the Debtors extensive lists of interested parties and significant creditors (the “Potential Parties in Interest”).<sup>3</sup> The list of Potential Parties in Interest which A&M reviewed is attached hereto as **Schedule A**. The Potential Parties in Interest reviewed include, among others, the Debtors, prepetition lenders, officers, directors, the thirty largest unsecured creditors of the Debtors (on a consolidated basis), significant vendors, significant customers, parties holding significant ownership interests in the Debtors, significant counterparties to material agreements, and significant litigation claimants.
- ii. A&M then compared the names of each of the Potential Parties in Interest to the names in its master electronic database of the Firm’s clients (the “Client Database”). The Client Database generally includes the name of each client of the Firm, the name of each party who is or was known to be adverse to the client of the Firm in connection with the matter in which the Firm is or was representing such client, the name of each party that has, or had, a substantial role with regard to the subject matter of the Firm’s retention, and the names of the Firm professionals who are, or were, primarily responsible for matters for such clients.

---

2 Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at A&M and are based on information provided by them.

3 The list of Potential Parties in Interest is expected to be updated during these cases. A&M continues to review the relationships its professionals may have with potentially interested parties and to determine whether any relationships other than those set forth herein exist. As may be necessary, A&M will supplement this Declaration if it becomes aware of a relationship that may adversely affect A&M’s retention in these cases or discovers additional parties in interest. A&M will update this disclosure if it is advised of any trading of claims against or interests in the Debtors that may relate to A&M’s retention or otherwise requires such disclosure.

- iii. An email was issued to all Firm professionals requesting disclosure of information regarding: (a) any known personal connections between the respondent and/or the Firm on the one hand, and certain significant Potential Parties in Interest or the Debtors, on the other hand,<sup>4</sup> (b) any known connections or representation by the respondent and/or the Firm of any of those Potential Parties in Interest in matters relating to the Debtors; and (c) any other conflict or reason why A&M may be unable to represent the Debtors.
- iv. Known connections between clients of the Firm and the Potential Parties in Interest were compiled for purposes of preparing this Declaration. These connections are listed in **Schedule B** attached hereto.

3. As a result of the Firm Procedures, I have thus far ascertained that, except as may be set forth herein, upon information and belief, if retained, A&M:

- i. is not a creditor of the Debtors (including by reason of unpaid fees for prepetition services),<sup>5</sup> an equity security holder of the Debtors (except certain Firm employees who may own *de minimis* amounts representing not more than 0.01% of the equity interests in a Debtor entity, or an “insider” of the Debtors, as that term is defined in section 101(31) of the Bankruptcy Code);
- ii. is not, and has not been, within two years before the date of the filing of the petition, a director, officer, or employee of the Debtors; and
- iii. does not have an interest materially adverse to the interests of the Debtors’ estates, or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

---

<sup>4</sup> In reviewing its records and the relationships of its professionals, A&M did not seek information as to whether any Firm professional or member of the professional’s immediate family: (a) indirectly owns, through a public mutual fund or through partnerships in which certain Firm professionals have invested but as to which such professionals have no control over or knowledge of investment decisions, securities of the Debtors or any other party in interest; or (b) has engaged in any ordinary course consumer transaction with any party in interest. If any such relationship does exist, I do not believe it would impact A&M’s disinterestedness or otherwise give rise to a finding that A&M holds or represents an interest adverse to the Debtors’ estates. It is also noted that in the course of our review it came to A&M’s attention that A&M personnel hold *de minimis* investments, representing not more than 0.01% of the equity interests in the related entity, in various parties in interest, including but not limited to AT&T, Credit Suisse AG, JP Morgan, Microsoft, Verizon, and Wells Fargo.

<sup>5</sup> See ¶ 12 below.

4. In addition to the restructuring and financial advisory services provided by A&M under the Engagement Letter, prior to the Petition Date, various A&M affiliates have provided consulting services to the Debtors in the past. In particular, (a) in 2019-2020, A&M Valuation Services, LLC (“A&M VS”) provided certain valuation consulting services, (b) A&M Tax has provided compensation and benefits consulting services as described in the Application and also in 2020 pursuant to a separate engagement letter, (c) in 2020, A&M was engaged to provide financial advisory services, (d) between 2008 and 2014, A&M was engaged to provide an Interim CFO and to provide various financial advisory and consulting services to YRC Worldwide Inc.

5. As can be expected with respect to any international professional services firm such as A&M, the Firm provides services to many clients with interests in the Debtors’ chapter 11 cases. To the best of my knowledge, except as indicated below, the Firm’s services for such clients do not relate to the Debtors’ chapter 11 cases.

6. In addition to the relationships disclosed on Schedule B, I note the following:

- i. JPMorgan Chase Bank, N.A. together with certain of its affiliates (collectively, “JPMC”) and Wells Fargo Bank, N.A. together with certain of its affiliates (collectively, “Wells Fargo”), and TD Bank, N.A., together with certain of its affiliates (collectively, “TD Bank”), are Potential Parties in Interest. Under a credit facility (the “Credit Facility”) to A&M’s parent company Alvarez & Marsal Holdings, LLC (“A&M Holdings”): WFB is administrative agent, swingline lender and issuing lender and JPMC is a lender and the syndication agent; Wells Fargo Securities, LLC and JPMC are joint lead arrangers and joint book runners; and TD Bank is a participating lender and documentation agent. In addition to Wells Fargo’s receipt of interest in its capacity as a lender under the Credit Facility, Wells Fargo, JPMC, and TD Bank receive certain customary and negotiated fees and reimbursement of expenses in connection with their roles under the Credit Facility.
- ii. Alvarez & Marsal Inc. (“A&M Inc.”), an entity controlled by Bryan Marsal and Antonio Alvarez II, is the majority owner of A&M Holdings. A&M Holdings is the sole owner of A&M. Messer’s Marsal and Alvarez comprise the Board of Managers of A&M Holdings and two of the Board of Managers of A&M. Messer’s Marsal and Alvarez, together with A&M Inc., indirectly control a significant interest in the general partner of

A&M Capital which consists of various funds (the “A&M Capital Funds”). Also, certain A&M employees have invested in limited partnership interests in the A&M Capital Funds and, indirectly, their general partners and, from time to time, A&M and/or its professional service provider affiliates provide services to the A&M Capital Funds. The investments of the A&M Capital Funds are private equity investments in companies (all of whom are unrelated to the Debtors and these chapter 11 cases).

- iii. As set forth on Schedule B, Kirkland & Ellis LLP (“K&E”) currently represents A&M and/or its affiliates in matters unrelated to the Debtors and these chapter 11 cases. In addition to Kirkland & Ellis’s representations of certain A&M affiliates (including A&M Inc., A&M Capital, and the A&M Capital Funds) certain partners or other persons or entities associated with K&E (“K&E Persons”) have invested in the A&M Capital Funds. Each K&E Person that has invested in the A&M Capital Funds holds less than 1 percent of the A&M Capital Funds.
- iv. Debtor entities have been listed as creditors/vendors in chapter 11 cases in which A&M was the financial advisor or CRO including: Noranda Aluminum Holding Corporation; Eddie Bauer Holdings, Inc.; Risk Management Alternatives, Inc.; Vertis Communications; Tronox; and K&N Engineering, Inc. All of those matters are now complete.
- v. YRC Inc. is also listed as a vendor in the chapter 11 cases of Revlon, Inc. and its affiliated debtors and debtors in possession (“Revlon”). Revlon’s plan went effective on May 2, 2023, and A&M remains engaged to provide certain advisory and consulting services related to claims administration and the transition of interim roles to Revlon personnel. A&M has been advised by the Debtors that there are no outstanding claims or litigation between Revlon and the Debtors.
- vi. Bed Bath & Beyond, Inc. (“BBB”) is listed as a litigation party in these cases. A&M is engaged as the financial advisor to the official committee of unsecured creditors (“UCC”) in BBB’s chapter 11 cases. The A&M team providing services to the BBB UCC is not aware of or involved in any litigation between BBB and the Debtors and A&M has been advised by the Debtors that there is no claim pending between BBB and the Debtors at this time.
- vii. A&M’s affiliate has made certain personnel available to Kenco Logistics Services (“Kenco”) to provide an Interim Chief Financial Officer and Interim Director of FP&A. The Debtors provide freight transport services to Kenco and Kenco is listed as a litigation party in these chapter 11 cases. Kenco and the Debtors are currently involved in a dispute with respect to (i) amounts owed to the Debtors by Kenco for transport services and (ii) certain claims Kenco has against the Debtors for damage to freight during transport. A&M has an understanding with both the Debtors and

Kenco that A&M personnel will recuse themselves on both engagements from any involvement in such disputes. In addition, in an abundance of caution, A&M has instituted an information barrier to ensure that confidentiality of information is protected and that the engagements are not cross-staffed.

- viii. Holly Dice, who currently serves as an Auditor for Region 3, is a former A&M employee.

7. Further, as part of its diverse practice, the Firm appears in numerous cases and proceedings, and participates in transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who represent claimants and parties-in-interest in the Debtors' chapter 11 cases. Further, the Firm has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Debtors in matters upon which A&M is to be employed, and none are in connection with these cases.

8. To the best of my knowledge, no employee of the Firm is a relative of, or has been connected with the United States Trustee in this district or its employees.

9. Accordingly, to the best of my knowledge, A&M is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, in that A&M: (a) is not a creditor, equity security holder, or insider of the Debtors; (b) was not, within two years before the date of

filing of the Debtors' chapter 11 petitions, a director, officer, or employee of the Debtors; and (c) does not have an interest materially adverse to the interests of the Debtors' estates.

10. If any new material relevant facts or relationships are discovered or arise, A&M will promptly file a supplemental declaration.

### **Compensation**

11. Subject to Court approval and in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, applicable United States Trustee guidelines, and the Local Rules, A&M will seek from the Debtors payment for compensation on an hourly basis and reimbursement of actual and necessary expenses incurred by A&M. A&M's customary hourly rates as charged in bankruptcy and non-bankruptcy matters of this type by the professionals assigned to this engagement are outlined in the Application. These hourly rates are adjusted annually.

12. To the best of my knowledge, (a) no commitments have been made or received by A&M with respect to compensation or payment in connection with these cases other than in accordance with applicable provisions of the Bankruptcy Code and the Bankruptcy Rules and (b) A&M has no agreement with any other entity to share with such entity any compensation received by A&M in connection with these chapter 11 cases.

13. By reason of the foregoing, I believe A&M is eligible for employment and retention by the Debtors pursuant to sections 327(a) (as modified by section 1107(b)), 328, 330, and 331 of the Bankruptcy Code and the applicable Bankruptcy Rules and Local Rules.

Pursuant to 28 U.S.C. 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge, and belief.

Dated: August 30, 2023

Respectfully submitted,

/s/ Brian Whittman
